

CORNING

# RocketRibbon<sup>®</sup> Cables with FastAccess<sup>®</sup> Technology

Smaller, Faster, Easier

## Up to 28% Smaller

cable diameter, accommodating up to 2x more fiber per duct

## Up to 50% Lighter

creating less load-bearing tension on aerial installations

## Up to 60% Faster

cable access, enabled by our FastAccess technology

## Reduced Risk

with FastAccess jacket, offering craft-friendly cable prep

## Fast Termination

with solid ribbons for seamless mass-fusion splicing

## Easy Cable Identification

with improved jacket marking for faster field reference

## Uncompromised Attenuation

with industry-leading fiber performance and full backward compatibility
