

GET CONNECTED

CORNING NETWORK OF PREFERRED INSTALLERS

THE ADVANTAGE

In today's fiber optic business world, it is all about connections and opportunities. The connection between you and more opportunities is only one step away with the LANscape® Network of Preferred Installers (NPI). By becoming a preferred installer, you are able to provide customers with a complete solution by leveraging your valued relationship with Corning Optical Communications. NPI connects you to:

- Real solutions for real problems and competitive advantages for your business through improved training and resources
- Solutions with up to a 25-year warranty
- Rewards for installers who contribute to our joint success

OFFER A COMPLETE SOLUTION WITH AN EXTENDED WARRANTY

Preferred installers are able to offer end users up to a 25-year warranty for local area network (LAN) and data center (DC) installations when all products in the fiber cabling solution are Corning covered products including fiber optic cables, hardware, connectivity, and preterminated systems.

NOMINATION

Nomination into the program is at the discretion of the local Sales Engineer, and several factors are taken into consideration when determining if a company is a good fit for the program. Before being considered for nomination, you may be required to verify your company's history of and the ability to meet the following:

- Installations that meet Corning and Industry Quality Standards
- Stringent requirements for technical and financial strength in order to receive and maintain membership in good standing
- Commitment to continually update training to stay abreast on the latest technologies and product solutions

Upon Nomination into the program, the following minimum requirements must be completed (other requirements may be imposed at the discretion of the Sales Engineer):

- One Hands-On-Installation course and one Design course (both fee-based)
- New Member Profile
- Corning Tip-to-Tip Installation Project

MEMBERSHIP

Our tiered system allows installers to participate at their desired level and allows Corning Optical Communications to support our full range of contractors.

- BENEFITS

- Warranty
- Rewards based on program participation level
- Training opportunities (both complimentary and fee-based) via See the Light® program
- Technical support

- REQUIREMENTS

- Meet minimum annual revenue targets
- Maintain annual training
- Complete an annual profile questionnaire

THE NETWORK CONNECTION

When you talk, we listen. Your feedback has a direct impact on what information, training, and network benefits you find valuable. To learn more about the LANscape® Network of Preferred Installers and how to get connected, contact our NPI team at npi@corning.com, or visit <http://www.corning.com/worldwide/en/products/communication-networks/loyalty-programs.html>.
