

Items for Recycling when Buying New Corning Electrical and Electronic Equipment

Under the ElektroG Act, Corning is required to finance the collection, treatment, recycling and recovery of any new electrical and electronic equipment that you buy from Corning after March 24th 2006, when that new equipment eventually becomes waste. Corning has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that the enclosed equipment is:
