

July 16, 2009

Corning Life Sciences wishes to inform you that the Ultra-Web™ portfolio of products is being discontinued. This development product is being discontinued as we lack a supplier for the nano-fibers, which are a key component of the surface.

Corning will cease taking orders from all of our customers on August 31 and remaining inventory will be allocated on a first come, first serve basis. No additional inventory will be manufactured.

The following catalog numbers are affected:

3870XX1 – 100mm Dish

3871XX1 – 100mm Dish (polyamine coated)

3872XX1 – 96 well plate

3873XX1 – 96 well plate (polyamine coated)

We thank you for selecting Corning as a provider for life science products and ask that if you have any questions please contact your local sales representative, field application scientist or our technical services team. Our technical services team can be reached at: 1-800-492-1110 or +1-978-442-2200
