

Everon® Copper Datacom E250S Jack

The CORNING logo is displayed in white, uppercase letters on a solid blue rectangular background.

The Everon® Copper Datacom E E250S module is suitable for the transmission of digital data signals for conventional applications in compliance with ISO/IEC 11801 Ed.2.2 2011 and EN 50173-1 (2003). The module is also suitable for applications like PoE in compliance with IEEE 802.3af (2003).

For the connection of the cables to the modules and the installation of the modules into the outlets no special tools are required. The individual single shielding of the modules is compellingly necessary for these high bit rate applications.

The Everon® Copper Datacom E E250S modules are suitable for all installation applications, e.g. ISO 55-65 raceway, surface and flush mounting and all VOL systems.

Features and Benefits

Suitable for E Class applications according to ISO/IEC 11801 Ed. 2.2 (2011) and EN 50173 series (2011)

Universal application in all modular VOL components

No special tools required for installation

Supports Power over Ethernet (PoE)

Fulfils the requirements for Class E

Everon® Copper Datacom E250S Jack

CORNING

Standards	
RoHS	Free of hazardous substances according to RoHS 2011/65/EU

Specifications

General Specifications	
Halogen-free	Yes
Category	6
Product Category	Core Product
Bandwidth	250 MHz

Environmental Conditions	
Temperature Range, Installation	-20 °C - 70 °C
Environmental Compatibility	Recyclable and free of heavy metal

Design					
Part Number	Insulation diameter max.	Jack Type	Number of Pieces	Wire Conductor+Insulation diameter max.	Color
MAXESM-00101-V001-B8	8 mm	RJ45 - 8/8	4	16 mm	White

Mechanical Characteristics		
Part Number	Durability of RJ45 Jack	IDC Contacts
MAXESM-00101-V001-B8	≥ 1500 mating cycles possible, EN 186000-1, test 4.5.32	Suitable for AWG 24-22 solid wires

Everon® Copper Datacom E250S Jack

The Corning logo consists of a solid blue square. Inside the square, the word "CORNING" is written in a white, serif, all-caps font, centered horizontally and vertically.
