

Biographical Information

Robert Quinn
Commercial Director
Advanced Glass Innovations

Bob Quinn is the commercial director for the Advanced Glass Innovations group within Corning Glass Technologies. In this role, Bob is responsible for leading the worldwide commercial team to define strategies and implement plans to enter new markets with new products, creating value for our customers.

Bob joined Corning in 1993 and has held positions in engineering, sales, product line management, business development, commercial operations, program management, and intelligence. During these 23 years with the company, Bob also worked abroad for about a decade and served as a Corning board member for two equity companies in Russia.

Bob holds a Master's in Business Administration from the Joseph M. Katz Graduate School of Business at the University of Pittsburgh and a Bachelor of Science in Materials Engineering from Rensselaer Polytechnic Institute.
