

APPROVED CUSTOMS BROKERS for International Trade Compliance

Corning Incorporated **Approved Customs Brokers** must be used whenever:

- ❑ Product is exported to Corning in the United States **and**
- ❑ Terms of sale (INCOTerms) are such that Corning Incorporated will be the Importer of Record in the US.

This applies under all INCOTerms, except for DDP.

Corning's **Approved Customs Brokers** provide these services:

- ❑ Assist in the proper classification of the imported merchandise
- ❑ Calculate the amount of duty owed
- ❑ Arrange for the surety bond to guarantee performance to US Customs
- ❑ Arrange for the release from Customs
- ❑ Arrange delivery of merchandise to Corning

CAUTION!

Other delivery services do not provide the required documentation and services:

- ❑ Your merchandise may be held at Customs **OR**
- ❑ Penalties may be incurred **OR**
- ❑ Due to lack of documents, you may not receive duty drawback

Use one of Corning's Approved Customs Brokers to import your merchandise.

The choice of **Approved Customs Brokers** is:

- ❑ **DHL Danzas Air & Ocean**
Use this broker for:
 - Heavyweight air freight
 - Ocean freight
 - Special handling
