

Items for Recycling when Buying New Corning Electrical and Electronic Equipment

Under the French WEEE Decree, Corning is required to finance the collection, treatment, recycling and recovery of any new electrical and electronic equipment that you buy from Corning after August 2005, when that new equipment eventually becomes waste. Corning has established a recycling contract with European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this box and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that enclosed equipment is:
